Certificate

Kim Diekevers

has successfully completed
Heartsaver Basic –
Heartsaver® First Aid CPR AED Online

Congratulations on learning lifesaving skills with the American Heart Association. Hands-on skills practice and testing, conducted by an authorized AHA BLS or Heartsaver Instructor, is required to receive a Heartsaver First Aid CPR AED course completion card.

For greater success, it is recommended the hands-on skills session be conducted shortly after completing the online portion. Please take this certificate with you to your hands-on skills session.

This certificate does not constitute successful completion of the full Heartsaver Basic – Heartsaver First Aid CPR AED Course.
